

## **NH Chapters Collaborating for Our Members!!!**

The times have sure been challenging and making it impossible for HR Professionals to meet in person both for conferences and chapter meetings.

Our chapters truly appreciate your continued memberships and we want to make sure you are getting the best bang for your memberships. Each chapter has agreed to allow members from any NH Chapter to attend their monthly meetings at no cost or reduced cost. The following is a list of each chapter and what the cost will be for NH Chapter members to attend:
